SPECIFICATIONS

CONTRACT A

DELRAY ST. BOOSTER STATION CONSTRUCTION

Bids Called for 2:00 P. M., EST, August 20, 1951

Refer to "Plot Plan" shown on Sheet 1.

The front elevation of the booster pumping station shall be no closer to Delray Street than the private residence numbered 4824 Delray Street on the adjoining lot.

The distance on the plot plan is shown to be 25 feet, and should read "about 37 feet."

The entire plot plan should, therefore, be moved 12 feet back from the front property line. All other data is to remain the same.
