Re: Delray Street Pumping Station

Dear Sir:

In accordance with your letter of September 20, 1951, we submit a credit of \$81.75 for omitting Josam floor drain, building sump in pipe trench, omitting line to sewer and substituting short drain line from downspouts to the driveway and extending meter pit two feet deeper and filling with 2" stone.

Yours truly,

J. M. TURNER AND COMPANY, INC.
