MEASUREMENTS AND PAYMENTS

SECTION 1 GENERAL

- A. All work shall be paid on the basis of the Unit Prices or Lump Sum Prices stated in the Bid Form and upon the actual work performed and materials installed, complete-in-place, in accordance with the Contract Documents. No separate payment shall be made for such items as the constant maintenance and coordination of the work, utility excavation, excavation, trench protection, utility support and coordination, traffic control, sheeting and shoring, underpinning, installation procedure, maintaining drainage flow, maintaining sewage flow, dewatering, utility backfill, backfill, pavement saw cutting, cutting and removal, inspection, testing and restoration except when specified otherwise. The expense for these and any other incidental or related work necessary to provide and install a Bid Item, complete-in-place, shall be included in the Unit or Lump Sum Price for that particular Bid Item. All work indicated or implied for a complete and finished installation shall be included in one of the several unit prices, or lump sums.

SECTION 2 SPECIFIC ITEMS

- A. **Mobilization** - shall consist of the performance of construction preparatory operations, including the movement of personnel and equipment to the project site, payment of performance and payment bond and other insurance premiums and for the establishment of the Contractor's offices, buildings and other facilities necessary to begin work on a substantial phase of the contract. Mobilization shall be paid for at the contract lump sum price, which price shall be full compensation for performing the work specified and the furnishing of all materials, labor, tools, equipment and incidentals necessary to mobilize and subsequently demobilize the construction preparatory operations. Payment for this item will be made in two installments. The first payment of 50 percent of the lump sum price will be made on the first estimate following partial mobilization and the initiation of construction work. The second and final payment will be made on the next estimate following the completion of substantial mobilization including the erection of all Contractor's offices and buildings.

The lump sum price paid for mobilization will be subject to the following limitations:
