Re: ENIRTEP PROJECT — FRANKLIN COUNTY — BEL — LAGO SUBD.

INFO. FOR YOUR REVIEW & COMMENTS. — BASED ON MY CONFV. WITH JIM PETRINE FRANKLIN COUNTY HEALTH DEPT. MUST HAVE THE AREA WE APPROVED FOR FUTURE WELL SITE # 1 — JIM NEEDS TO INSTALL DRAINFIELD # 7 FOR LOT # 14 AT THAT LOCATION. — WE COULD MOVE WELL SITE # 1 DOWN TO LOTS 13 & 14 AS SHOWN ON PLAT. — WE WOULD BE A MIN. OF 175' FROM WELL SITE TO D.F. # 7. — PLEASE LOOK OVER THE INFO. & GIVE ME A CALL AS WE MAY NEED TO REVIEW THE SITE AGAIN. —

THANKS

2. PORTION OF PROPERTY ADJACENT TO SMITH MOUNTAIN LAKE LIES IN MID FLOOD HAZARD ZONE A. REMAINDER OF PROPERTY LIES IN MID FLOOD HAZARD ZONE X.
4. SURVEY PERFORMED WITHOUT THE BENEFIT OF A TITLE REPORT AND MAY NOT INDICATE ALL ENCUMBRANCES ON THE PROPERTY.
5. CHORD BEARINGS AND DISTANCES. PROPERTY LINE FOLLOWS THE 800' CONTOUR LINE OF SMITH MOUNTAIN LAKE FROM CORNER A TO CORNER B.

SEE DRAINFIELD LAYOUT PREPARED BY SHRADER ENGINEERING & LAND SURVEYING, INC. FOR ENIRTEP INC. DATED SEPTEMBER 19, 2002
LOTS TO BE SERVED BY COMMUNITY WATER SYSTEM WELL ON LOT 6 TO BE ABANDONED
