

IN THE COUNCIL OF THE CITY OF ROANOKE, VIRGINIA,

The 16th day of August, 1976.

No. 23182.

AN ORDINANCE authorizing the issuance of Change Order No. 1 to the City's contract with Hodges Lumber Company, Inc., authorized by Ordinance No. 22589, to provide for a discharge line for the Peakwood Drive reservoir to convert said reservoir to a flow through facility; upon certain terms and conditions; adding forty-one (41) additional calendar days to the working time provided in the aforesaid contract; and providing for an emergency.

WHEREAS, the City Manager, in report to the Council dated August 16, 1976, has recommended that the Council approve the issuance of a change order to the City's construction contract with Hodges Lumber Company, Inc., dated December 22, 1975, so as, by alteration and modification of said contract, to provide for a discharge line for the Peakwood Drive reservoir to convert said reservoir to a flow through facility, at an additional cost to the City of \$477.00 and to provide for forty-one (41) additional days for the completion of said reservoir; and

WHEREAS, the Council is of opinion that the changes proposed in such work are desirable for the reasons reported by the City Manager and, accordingly, concurs in said proposal, and has appropriated a sum sufficient to defray the additional costs incurred by the change order herein authorized by the Council; and

WHEREAS, it is necessary for the usual daily operation of the municipal government that this ordinance take effect upon its passage.

THEREFORE, BE IT ORDAINED by the Council of the City of Roanoke that the City Manager be, and he is hereby authorized and empowered to issue, for and on
