FAN NOTES:

The floor plan illustrates the layout of the 10th floor, focusing on the HVAC system. It features four main rooms: 'EXISTING FILTER NO. 4' (top left), 'EXISTING FILTER NO. 8' (bottom left), 'NEW FILTER NO. 9' (top right), and 'NEW FILTER NO. 10' (bottom right). A 'NEW BLOWER ROOM' is located adjacent to the new filter rooms. The plan includes various HVAC components labeled with codes: EF-EF-1, EF-WH-1, EF-EUH-1, EF-EF-5, EF-EUH-3, EF-WH-3, EF-EF-4, EF-EF-3, EF-WH-4, EF-EF-2, EF-WH-2, and EF-EUH-2. A legend identifies the symbols for 'THERMOSTAT' (a circle with a dot) and 'MOTOR OPERATED DAMPER' (a rectangle with a dot). A north arrow is located in the top right corner. The scale is given as 1/8" = 1'-0".
